

Elysian Blue – Community Standards

Last updated: 23 November 2025

Welcome to Elysian Blue — where the vibe is respectful, warm, a little cheeky, and always safe.

These Community Standards are here to keep things smooth for everyone using the platform — Clients and Providers alike.

Think of this as the “how we treat each other” guide.

Not a legal contract.

Not a lecture.

Just the common-sense stuff that keeps our community feeling good.

1. Don’t Be Rude — It’s Not That Hard

Kindness is sexy.

Rudeness isn’t.

So let’s stick to:

- Polite messages
- Respectful tone
- No name-calling, shouting, or guilt-tripping
- No power plays or manipulation

Basically: be someone people are happy to deal with.

2. Consent Is Queen, King, and the Entire Royal Court

Consent isn’t one moment — it’s a whole vibe.

On Elysian Blue, consent must always be:

- Clear
- Willing
- Ongoing
- And totally allowed to change

If someone hesitates, changes their mind, or feels uncomfortable?

Pause. Reset. Respect it.

No awkwardness, no pressure.

3. Keep Everything Inside the App

Think of the app as the safe bubble (pun intended).

All chats, quotes, bookings and payments happen **in-app** — no sneaking off to private DMs or side deals.

Why?

Because it keeps everyone protected, paid properly, and supported if something goes sideways.

4. Be Honest — Surprises Are for Birthdays Only

Be upfront about:

- Who you are
- Where you are
- What you want
- What you offer
- What you don't offer

No misleading info, no bait-and-switch, no “oops forgot to mention...”

Honesty = smoother sessions for everyone.

5. Create a Safe Space (Literally)

For in-person sessions, Clients need to provide a space that's:

- Safe
- Clean
- Calm
- Free of random extra humans popping out of nowhere

If the vibe is off, unsafe, or wildly different from what was described, Providers can leave.

(And yes, refunds may not apply.)

6. Respect the Clock

Your time is valuable. So is theirs.

Please:

- Be on time
- Communicate clearly
- Cancel early if you need to
- Don't ghost (it's 2025 — we're better than that)

Simple courtesy keeps everyone sane.

7. Absolutely Zero Harassment

This platform is NOT the place for:

- Threats
- Creepy behaviour
- Hate speech
- Begging
- Bullying
- Standover tactics
- Guilt-based manipulation
- Intimidation

We don't tolerate it. At all.

8. Privacy Matters

Your personal info is yours.

Their personal info is theirs.

Don't:

- Pressure someone for private details
- Save/share screenshots without consent
- Record sessions
- Stalk

- Overshare your own stuff if you'll regret it later

Let's keep things respectful and grown-up.

9. Follow the Law (Obviously)

Illegal stuff is a hard no.

If you feel unsafe or think something unlawful is happening, **you** should contact police or emergency services.

Elysian Blue is not an emergency service, but we will cooperate with authorities if needed.

10. Our Right to Step In

If someone's behaviour isn't meeting these standards, we may:

- Issue a warning
- Pause the account
- Remove the account
- Hold payments
- Investigate safety concerns

We make decisions carefully — but once made, they're final.

No endless back-and-forth.

11. Be Good Humans

Elysian Blue isn't just an app — it's a community.

Let's make it a place where:

- People feel valued
- Boundaries are respected
- Everyone can relax
- And connection feels easy, not messy

A little kindness goes a long way.

A little cheekiness doesn't hurt either.
